

CHAPTER MILEAGE CONTEST

The mileage program only requires a participant to enter the starting and ending miles on the posted form. The top male and female riders win the top cash prize. Prizes are also won for as many top to bottom ranking participants as we have to give away.

Our mileage program is based upon reporting miles achieved. We use an “honor system” to report mileage via email or at the bulletin board located at the dealership HOG PEN area. The program begins every **November 2nd until November 1st** of the next year. Mileages reported after **November 1st** will be entered as the new mileage to start for the following year contest.

All registered riders will have their miles counted in the chapter total for the current year. Our objective as a chapter is to beat last year posted mileage.

How to Register (First Time Only)

- Using the format below email mileage@foxriverhog.com with the current mileage miles for tracking
- Using the format below at the end of the contest email mileage@foxriverhog.com with finishing mileage

Already in the Mileage Program

Your reported finishing mileage will automatically be your starting mileage for the next year contest. If you have new ride to enter you must post the start mileage on that ride.
